Mr. A. A. Evans,
Attorney General,
Montgomery, Ala.

Dear Sir;

I am quite anxious to proceed with the Collier genealogy and have gotten down and completed the record from the 15th. century up to the death of Robert Collier our great-grand father of Upson County. I have all the records complete on Robert Collier's children except William Vines Collier and Aunt Sallie Lovett. I have requested Mrs. Longley to complete this record for me but for some reason she hasn't had time to do so. If you can spare the time to give reply to the letters I sent you I would certainly personally appreciate it and would be glad to give you a copy of this record when it has been completed, it will be very interesting.

My son, Durward Cuthbert Collier, is in England at present and has been for weeks and visited Stone in Staffordshire district to make special inquiry regarding the Collier history as this is where the original Robert Collier was buried and when he returns around Feb. 15th. he will be in position to furnish me a lot of extra data. As you will note by the enclosed letter I have done my best to locate the grave of William Vines at Columbus. I am unable to locate Mrs. Minnie R. Wylie in Atlanta as I do not find here in the directory therefore do not know how to address her.

With my usual sincere regards and trusting to have the pleasure of knowing you personally some time I beg to remain

Yours sincerely,

JCC:C
Enc. letter.

P.S. Kindly return the enclosed letter.
